

BUILDING A BUSINESS CASE

Whether you're attending REVx to learn AvidXchange best practices or build upon your personal and professional goals, we have sessions for you. This year's agenda is filled with more than 25 sessions presented by AvidXchange customers, executives, industry leaders, product experts and partners.

EXCITING BENEFITS FOR ATTENDING

TANGIBLE TAKEAWAYS

This year's sessions will be packed full of actionable items you can take back to your department and put to use immediately. Sessions will be interactive, allowing you to ask questions throughout.

DESTINATION LOCATION

We know you work hard and that vacations don't come often enough, so we thought there's no better place than Fort Lauderdale, FL to host REVx 2020. The hotel we've chosen this year is oceanfront and features a luxury full-service spa - it's perfect for a nice getaway. Better yet, we've secured a discounted room rate of \$229 + \$25 resort fee per room per night.

NEW CONTENT

We've expanded our content to more than just the accounts payable functions because we understand that many of you want to build upon your personal goals. You especially won't want to miss our newest session on uncovering your communication style.

PRODUCT TUNEUPS

Learn something from a session that you want to begin utilizing? We'll have product labs set up in our Customer Hub where you can sandbox new products, get tuneups, setup workflows, speak with product leaders and more.

HANDS-ON TROUBLESHOOTING

We'll have support stations set up in the Customer Hub to troubleshoot any problems you may be having. Pro Tip: Gather questions and feedback from your team before REVx so you can return from the conference with real-time solutions.

COST

Simply purchase your conference pass, hotel room and flight. Your conference pass includes all of your meals. You'll enjoy drinks and snacks at our Welcome Party on Tuesday, a full day of meals on Wednesday and a filling breakfast and lunch on Thursday.

HIGHLIGHTS

DEDICATED WORK SPACE

While we think it's important to take time to focus on education and workshops at the conference, we also know that work never stops. Our Customer Hub has dedicated work space for you to catch up on pressing items to keep your business running seamlessly while you're away.

LEARN FROM INDUSTRY EXPERTS

Have you ever wondered how other accounts payable (AP) departments tackle their 1099 reporting, month-end close or even employee training? There are over 40 different accounting system users in attendance and we've got all the networking opportunities you need to learn from one another. Plus, our sessions are led by industry experts who are ready to share tips and tools that helped them take their businesses to the next level.

SHARE LEARNINGS WITH YOUR TEAM

We know not everyone from your department may be able to attend but we want to equip you with tangible takeaways to share with your entire team. With your conference pass, you'll have access to session recordings, solutions spotlights and PowerPoint downloads that include speaker notes.

“AvidXchange truly knows what it means to host an event. REVx 2019 was an amazing experience! I came back with so many takeaways for both my personal and professional growth. I can't wait to see what they have in store for REVx 2020!”

- Yeng Xiong, Sourcing and Payable Supervisor, Allen Tate Realtors.
