At AvidXchange, your success is our success. Our Customer Education Team exists to provide the tools and resources to ensure that every customer is successful. From administrator trainings to end-user resources, we'll make sure that you have everything you need to get your full team up and running quickly.

Our Team

Our team is comprised of educators with deep experience in both adult learning principles and in online learning technology. We'll partner with you and your end users to ensure success in all phases of your journey with AvidXchange – from implementation to your ongoing use of our products and services.

Training Formats

We offer a wide variety of training formats so we can cater to everyone's unique learning preferences. From quick-hit videos, to live webinars, to in-person customized sessions, we have all your needs covered.

Continuing Professional Education (CPE)

Many of our formal training programs also offer the option to earn Continuing Professional Education (CPE) credits so you can develop the skills necessary to grow your business and support your team while boosting your resume.
