The Power of Complete AP Automation

Avidxchange + CINC Systems

AvidStrongroom

AvidStrongroom + AvidPay is a complete AP and payment automation solution purpose-built for community association management companies.

We seamlessly integrate with CINC Systems to help you boost efficiency and streamline the approval process by eliminating the manual paperchase of processing invoices and paying bills.

The Integration

Capture Invoices

Receive invoices electronically through email submission or our PO Box and scanning services.

Manage Invoices

Quickly code, route and approve invoices through a completely customizable invoice approval process.

Send Payments

Securely send payments through the AvidPay Network with just the click of a button.

Integrate with CINC Systems

Automatically sync invoices and payments to CINC Systems without the need for additional data entry.

One of the most important decisions we made was to select AvidStrongroom because it allows us to eliminate our time on processing paper, and to focus on what really matters—taking care of our customers."
