

TIMBERSCAN + AVIDPAY

A complete Purchase-to-Pay solution for Sage 300 CRE, Sage 100 Contractor & Sage Intacct

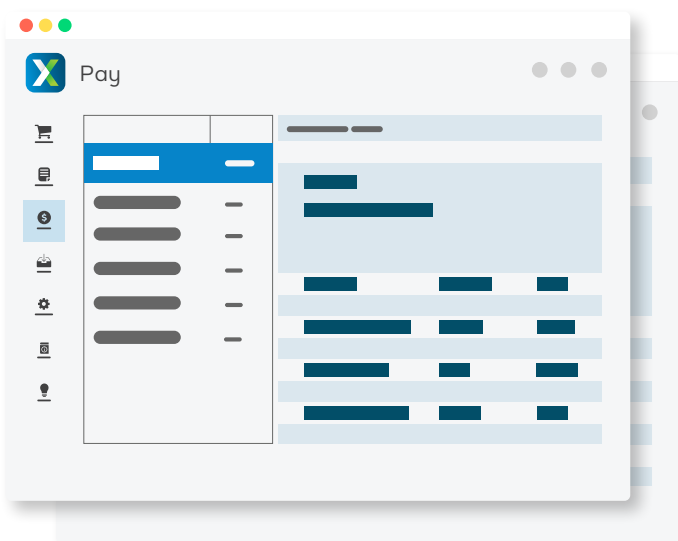

Transform your paper-based AP process into streamlined, automated workflows and leave behind the days of stuffing invoices in visors or piling paperwork on a desk. The integrated offering of TimberScan with AvidPay, empowers you to maximize employee capacity and efficiency while strengthening your vendor relationships.

The Solution

TimberScan and AvidPay together combines the breadth and depth of AvidXchange's payment network with the invoice and document management expertise of Core Associates.

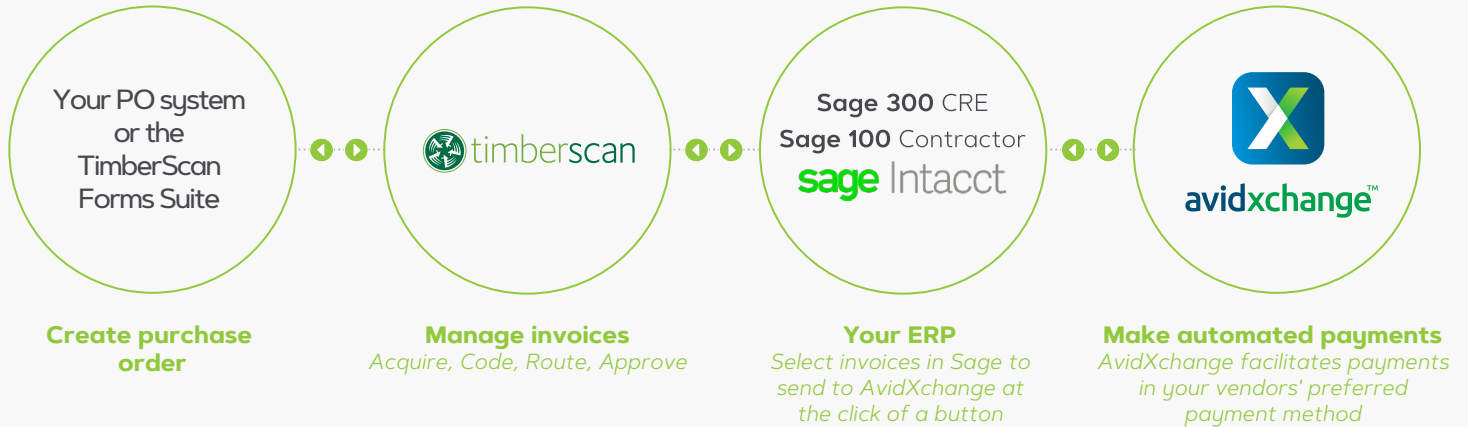

- AvidPay integrates with TimberScan and the ERPs
- Automated functionality providing increased visibility from end to end
- 680,000 vendors in the AvidPay Network
- 40% e-payment adoption and growing

Think of AvidPay like online banking. You make the payment selection from your ERP, send it to the AvidPay Network, and you're done. No check printing, stuffing envelopes, or paying for postage; we handle all of that for you.

How It Works

Sync data across systems, plus manage supporting documents and files seamlessly.

“It’s expedited my process—it’s just so much faster than it used to be. From a monthly perspective, I’m probably saving a week each month just because of AvidXchange.”

- Maggie J., Office Manager at Ridgeline Construction
