# Your Outdated Accounts Payable Process May Be Leaving Money on the Table

Most community association management companies treat AP as a cost center. What if it could generate revenue instead?

## Your manual AP process costs more than you think

**Money**

\$2-\$3 per paper check

**Time**

Manual invoice entry, chasing approvals

**Risk**

76% of AP leaders have experienced payment fraud

## CINC Payables+ Powered by AvidXchange turns AP into a revenue driver

Here's how it works:

### 01 Your suppliers join AvidXchange's established supplier network

1.5M+ suppliers in the AvidXchange network

Many of your suppliers may be already enrolled

AvidXchange manages supplier enrollment and support

### 02 Payments are executed on your behalf

AvidXchange pays suppliers via preferred method (Virtual card, AvidPay Direct, or check)

ePayments offer greater speed, security, and visibility into payment status (as compared to paper checks)

Fully embedded within CINC, no separate systems or integrations required

### 03 Your payments can generate revenue on qualified payments

Qualifying transactions earn rebates back to your business

A typical community association management company can see approximately **\$13,000 or more in additional revenue** from payments they were already making
